

God Bless Our President
A Tribute to our President, Ben Bamford
Words by Sam Mecum and Jamie Alton
Sung to the Tune of "America"

Verse 1

God bless our President.
Led without precedent: Virtually

Only in cyberspace
Did we see Bamford's face.
Through COVID he did grace
Our computer screens.

Verse 2

Our thanks we offer Ben
At this a lesser man
Would have resigned.

He kept our club intact,
Safe from foul COVID's wrath,
Connecting us through Comcast
His whole Ro-t'ry year

Verse 3

Each week we all tuned in
The Pledge was such a din,
Meeting by Zoom

Thank God we're here at last
To see the gavel pass
From Ben to Rob the torch is passed
Thank you, Pres'dent Ben!
