This is a special issue with more information on the Arboretum Dedication on May 1st.

Take only memories & Leave only footprints

Take only memories and leave only footprints is the motto for our nature trail and nature trails in general. During the past year, residents left painted rocks and other garden ornaments to lift the spirits of people who walked the trail. This was appreciated and encouraged.

Please remove painted rocks, etc.

Today, we are hopefully returning to normal, or at least to a new normal. We are returning the nature trail to nature to appreciate God's gifts to us. We appreciated these items, but are now asking residents to take them back. Ones that aren't removed may be removed by the Trail Crew and other people that walk the trail.

The nature trail is a place of tranquility and peace. A place where we can appreciate the gifts of God without the hand of man.

Thank you for cooperating and enjoy your walk on the trail.

Arboretum Dedication on May 1st

If the weather is nice, the event will be held on the Viva Plaza and we should have ample seating. If the weather is threatening, it will be held in Gamber and seating is limited to 45. If immediate family of the Honor & Memory honorees are attending, please contact Jerry Lawrence at grlawrence@comcast.net or (717) 984-2760 so we can reserve seats for them.
