Woodcrest Villa Arboretum is Dedicated To Those Recognized with Trees

WCV Tree Scavenger Hunt

August 31, 2023, is the first anniversary of the entire Woodcrest Villa Campus becoming an Accredited Arboretum. Some trees on campus have been labeled along the walks going around the apartments and in the villas near their mail boxes.

WCV is having a Tree Scavenger Hunt to commemorate Woodcrest Villa becoming an arboretum. All residents and staff are invited to find these labeled trees and check them off on the scavenger hunt form on the backside of this newsletter. This activity takes place the entire month of August. Residents may work together or invite friends & relatives to join them. There are also labeled trees on the Nature Trail and in the Honor-Memory Arboretum, but be cautioned, some areas may be a challenge for residents with walkers and scooters.

Honor/Memory Tree Program

The Honor/Memory Tree Program will be resumed in the Fall. There are several changes:

- 1) Trees may be placed on the entire WCV campus, but only in the Arboretum expansion area and other locations chosen by WCV.
- 2) The variety of tree must be one approved by WCV and the WCV Nature Trail & Arboretum Committee.
- 3) There will be a waiting list and those on the waiting list will be notified when an opportunity to sponsor a tree in the name of a loved one becomes available. When that happens the first person on the list will be notified of the location and variety of tree and be given the choice to accept or pass.

After an opportunity is accepted and the payment is made, the tree and a plaque will be ordered for planting in the Fall.

To be placed on the waiting list, contact Steve Henning at acer103@earthlink.net or X 7113
