Donations for Lew's Shed Pass 60% of Goal; Still need \$905.

Even though it won't be installed until mid-summer, Lew Kauffman and Jim McCoy have already cleared a spot and prepared a gravel base for the equipment shed. The site has been permitted and inspected by the Township and is ready.

Last month we appealed to those of us who appreciate the Nature Trail to come up with \$2,300 to reimburse Lew for the purchase and installation of an equipment shed for his trail crew. In the past month Dennis Good has received \$1,395 in donations for the shed. We only need \$905 now. If you would like to help, make a check payable to:

Woodcrest Villa Nature Trail. Memo line: Lew's Shed.

Mail the check to

Dennis Good

Woodcrest Villa Trail Board

216 Vinca Place

Lancaster, PA 17601

Help Lew and his crew get the equipment shed.

Thanks For All Donations For The Shed, Trail & Arboretum Now & In The Past!

Sign up now for an Honor/Memory Tree to be planted this Fall.

The Arboretum will plant trees in Memory of or to Honor a specific person. The cost of \$1,000 includes the planting of any one of the recommended trees or another tree provided it is approved by WCV Nature Trail Board. It also includes a cast bronze plaque similar to one illustrated. For more information contact Jerry Lawrence at 717-984-2760 or grlawrence@comcast.net. Trees sponsored this summer will be planted during the Fall tree planting season.

Clockwise from center left:
Jerry Lawrence raises flowers for the Flower Factory ladies to make into arrangements to sell in Market Place to raise funds for the Benevolent Care program. The Nature Trail Crew has been clearing brush along Swarr Run in the Arboretum. This is resulting in the regeneration of wild flowers along Swarr Run.
